

- Standard size for a single grave is 24" by 12", or 28" by 16" for a double depth grave.
- For a grave marker that sits centered over 2 side by side graves, the typical dimensions are 36" by 18" or 44" by 14" when there're more than 20 graves.
- A headstone for an infant grave plot or cremation urn interment plot is generally standardized at 16" by 8".
